

801-T-229 BASIS OF PAYMENT FOR CONSTRUCTION SIGNS

*(Adopted 01-21-21)*

The Standard Specifications are revised as follows:

SECTION 801, BEGIN LINE 1181, INSERT AS FOLLOWS:

Each construction sign, barricade, temporary worksite speed limit sign assembly, road closure sign assembly, or flashing arrow sign will be paid only once regardless of how many times each is moved, replaced, or how many times each is altered to change the sign message *within a Project Work Zone. Payment will be made for signs placed in, or relocated to, a separate Project Work Zone. A Project Work Zone is defined as a segment of highway from the "Road Construction Ahead" sign to the "End Construction" sign.*

Payment will not be made for signs or barricades used for the convenience of the Contractor.
