

102-C-170 PREQUALIFICATION

(Revised 05-01-25)

The Standard Specifications are revised as follows:

SECTION 102, BEGIN LINE 3, INSERT AS FOLLOWS:

102.01 Prequalification and Bidding

The bidder will be required to prequalify and follow the bidding procedures as set out in the rules for Prequalification of Contractors and Bidding, 105 IAC 11, now on file with the Indiana Secretary of State, copies of which are available upon request in the Contract Administration Division. *For this contract, a firm will also be considered if the firm holds a "Certificate of Qualification to provide Construction Services for Public Works Projects to the State of Indiana" as issued by the Department of Administration, Public Works Division. This certification shall list "buildings" in the classification of services covered.*

SECTION 108, BEGIN LINE 31, INSERT AS FOLLOWS:

The subcontractor shall be in accordance with the requirements of 105 IAC 11-2-10, Subcontractors. *For this contract, subcontractors performing work on building items will also be considered properly qualified if the firm holds a "Certificate of Qualifications to provide Construction Services for Public Works Projects to the State of Indiana" as issued by the Department of Administration, Public Works Division. This certification shall list the appropriate classification of services.*
