

106-C-280 E-TICKETING INCENTIVE

(Revised 02-21-25)

Description

This work shall consist of furnishing an electronic material delivery ticket, e-ticket, and delivering the e-ticket to the Department's e-ticketing portal, MyDOTportal, in accordance with 105.03.

Construction Requirements

The Department will pay an incentive for each e-ticket which is delivered to the Department's e-ticketing portal when the portal has been approved for use on the contract by the Engineer. The incentive will only apply to e-tickets which are:

- (a) The latter of submitted after June 30, 2023 or the date this provision was added to the contract,
- (b) One of the following material types: Asphalt, Concrete, or Aggregate, and
- (c) Utilized as the basis of payment or source document in the final construction record.

The e-ticket furnished and delivered to the Department's e-ticketing portal shall be in accordance with 106.01(b)1. The information provided on each e-ticket furnished shall be in accordance with 106.01(b)2.

Method of Measurement

The e-ticket incentive will be measured by the number of tickets, furnished and delivered to the Department's e-ticketing portal. The Department will provide a report to the Contractor showing the number of delivered tickets per supplier.

Basis of Payment

The e-ticket incentive will be paid for at the contract unit price per each ticket, furnished and delivered to the Department's e-ticketing portal. The unit price for this incentive will be \$2.00 per ticket. The incentive will be applied as a one-time payment on the partial pay estimate after the contract is substantially complete.

Payment will be made under:
