MEMORANDUM

TO:

FROM: Jennifer Blankenship
City of Evansville Engineering Department

DATE: August 29, 2022

SUBJECT: Addendum #1 – RFP - Des #1801726 – Response to Questions

The following questions have been received with responses as follows:

Question 1: Does the City of Evansville Engineering Department have a list / recommendation of local DBE companies?

Response: The City of Evansville Engineering Department refers consultants to view the State of Indiana's DBE directory at the following link,
<https://entapps.indot.in.gov/DBELocator/>

Question 2: Are there any dates of special events that will affect the MOT plan?

Response: There are no dates of events within this corridor. The public will be detoured to Lincoln Avenue and the Contractor will be required to construct the project always providing local traffic access to homes and businesses.

Any additional questions can be directed to:
