Dear Ms. Green,

This letter acknowledges the Distressed Unit Appeals Board's ("DUAB") receipt, on December 8th, 2008, of the DUAB petition and financial plan for the City of Gary along with the Gary Chicago International Airport Authority, Gary Public Transportation Corporation, Gary Sanitary District and Gary Storm Water Management District.

Rule 4-2 of the "DUAB Administrative Policies and Procedures" defines the required contents of a DUAB petition. After review of your submitted petition, we were unable to locate the following required contents:

- The budget(s) adopted by the Petitioners or the applicable fiscal body under 6-1.1-17 (Rule 4-2(e))
- The nonbinding recommendation of the county fiscal body issued to the Petitioners under 6-1.1-17-3.5 for the 2009 budget year (Rule 4-2(f))
- Current and projected growth in the number of residents and other citizens served by the Petitioners (Rule 4-2(g))
- Salaries, duty title, and the department or division of employees of the Petitioners (Rule 4-2(h))
- Prior and existing revenue and expenditures of the Petitioners (Rule 4-2(i))

Rule 4-3(a) states that "failure to comply with the petition content requirements shall be cause for the petition to be returned" for correction. The DUAB asks that you correct the omissions described above and return corrections within ten (10) calendar days of the receipt of this notice (See Rule 4-3(b)).

If you have any questions or comments please contact me at (317) 234-2115 or chatkins@omb.in.gov, or Cris Johnston at (317) 234-3839 or cjohnston@omb.in.gov.
