Take another look at Gary Schools.

WE ARE GARY PROUD • WE ARE GARY STRONG • WE ARE GARY SCHOOLS

Here are just a few reasons to take another look at Gary Schools!

We have streamlined the enrollment process. If you have more than one child in the District, you can enroll them all at once, on the same form!

We have spent the past few months in recruitment mode. We have recruited great teachers, administrators and other faculty and staff who are ready to deliver the best educational experience for your child!

We have expanded our pre-K and Kindergarten offerings so there are more slots available! In addition, our kindergartners enjoy a full day of learning complete with breakfast and lunch.

Merging of schools for effective programming and greater educational offerings.

Greater focus on STEM education.

The rejuvenation of the Gary Area Career Center.

These are just a few reasons and there many more to come! For more information, visit www.garycsc.k12.in.us
