## Fund Selection

A number of the indicators allow for the user to define which fund classifications to include. To modify the funds included in the indicator, check or uncheck the fund classification boxes above the indicator. For more information on the funds included within a particular category, please see the Data Sources document at <https://www.in.gov/duab/files/School-Corporation-Fiscal-Indicators-Data-Sources.pdf>.

### Annual Deficit/Surplus

This indicator provides a comparison of revenue to expenditures on a calendar year basis, including whether the school corporation had an operating deficit or surplus for that year. Fund balance is also included to assist in identifying situations in which the school corporation utilized existing fund balances to fund expenditures.

## Additional Detail

Throughout the dashboard, you may choose to view additional detail. To do so, place the cursor on a data point or column and left-click. This will result in the pop-up table remaining in place to allow for additional review of the data.

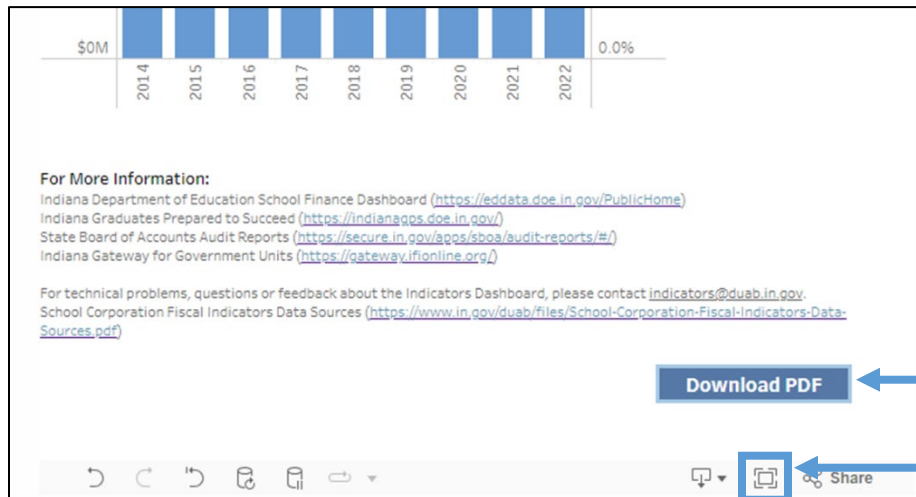

## Data Tables

To see the data displayed in a data table for the selected school corporation, click on the “See Data Here” option available under the pop-up table and a new tab will open. **The school corporation name will need to be entered in the “School” drop-down box.** The data in the underlying table will then be displayed. Where applicable, you will be given the option to reapply fund type filters on this new tab to allow you to filter the data displayed.

## **Print**

To print the indicators as displayed (including any user-defined options such as fund selections to include in an indicator) for the selected school corporation, click “Download PDF” or the Download option at the bottom of the indicators and select PDF. A pop-up will appear; in the “Scaling” drop-down, select “100%”. This will allow you to download and print a PDF of the indicators for the selected school corporation.
