Dear Ms. Long:

This letter constitutes notice that Cardinal Health 200, LLC is implementing a reduction in force that is affecting a total of 49 employees over a 90-day period. Although we do not consider this job action to be covered under WARN, we are nonetheless providing notice in the hope that it may aid the displaced workers in becoming re-employed.

The layoffs are occurring at Cardinal Health's Indianapolis distribution center, located at 6812 Corporate Drive, Indianapolis, IN 46278. Ursula McNeill, Cardinal's Director of HR Operations Medical for the Midwest Region, can provide additional information, if needed. Ms. McNeill's telephone number is (614) 553-3847.

The layoffs are expected to be permanent. On November 30, 2009, Cardinal Health provided 37 employees notice of their layoffs, which were effective on January 31, 2010. No additional layoffs were anticipated at the time. However, Cardinal Health later determined that a second round of layoffs was necessary, and on February 2, 2010, Cardinal Health notified 12 employees of their layoffs, to be effective on April 3, 2010.<sup>1</sup>

The job titles of positions that are being or have been affected, and the number of employees in each position, are as follows:

TITLE	IMPACTED EMPLOYEES
Associate I, Warehouse Ops	2
Associate II, Warehouse Ops	41
Asst I, Administration	1
Ld Assoc, Warehouse Ops	1
Mgr, Operations Mgmt	1

<sup>1</sup> The facility also recently employed seven seasonal employees, each of whom had an assignment of less than six months, with end dates of either December 31, 2009 or January 31, 2010. These assignments ended on their own terms.
