Next Level Jobs - Employer Training Grant

Next Level Jobs programs to include [early childhood education](#) and child care training through the state's Workforce Ready Grant and Employer Training Grant programs.

More than one million jobs must be filled in Indiana over the next 10 years. To help Hoosier employers fill these jobs, Indiana has created the Employer Training Grant (ETG), which reimburses employers who train, hire, and retain new or incumbent workers to fill in-demand positions within recognized job fields. The Employer Training Grant is available to help fill in-demand positions within six priority sectors. The grant will reimburse employers up to \$5,000 per employee who is trained, hired, and retained for six months, up to \$50,000 per employer.
