More about the US Bureau of Labor Statistics data sources used within:

Local Area Unemployment Statistics (LAUS): Captures Indiana's labor force, which includes those currently employed and those who are unemployed and actively seeking work.

Current Population Survey (CPS): Captures individuals not participating in Indiana's Labor Force. This set includes non-participants that do not want a job (i.e. retirees and students) and those that want a job, but are not actively seeking work.
