WIOA State Plan Common Goals

- Increase the **value of the workforce system for employers**. Base programs and investments on the **demands of the local/regional job markets**.
- Provide job seekers/employees with **career information, knowledge, and skills** necessary for employment and advancement in high-skilled, high-wage careers.
- Provide **employability skills instruction** based on employer needs.
- Increase the number of individuals with **industry-recognized certificates or credentials**.
- Continue development of content and models for **integrated education and training** career pathways.
- Increase opportunities for adult learners to **transition to postsecondary credentials**.
- Increase the number of **apprenticeship programs** (as well as other job-driven training).
- Establish a **shared performance accountability system**.
Assumptions – All data is updated on a routine basis. More programs exist than are listed
What’s coming in 2016-2017

• Professional Development RFA (May 2016)
• Integrated Education and Training (180 Skills pilot)
• Integrating Career Awareness
• Continued WIOA partnership development (ongoing)
  • Youth Services
  • Temporary assistance for needy families (TANF)
  • WIOA state-level MOUs
  • NGA Work-and-learn Policy Academy
  • Support local level partnerships (best practices webinars)
• PY 2017 Grant Competition
  • Still waiting on federal regulations to be finalized
  • Focus on serving those most in need through quality programming and quality partnerships.
It’s common sense to take a method, and if it fails, to try another.

But above all, try something.
