DEFUNCT INSTITUTION LIST

Consumer Information: This is not to be construed as an exhaustive list of non-degree granting postsecondary proprietary schools that once operated in the state of Indiana. Note that these closed institutions (whether closed voluntarily or involuntarily) are no longer authorized to advertise, recruit, or enroll students. That includes schools using the internet and/or social media venues for the purpose of advertising, recruiting, and enrolling students in their programs. If you have any questions about the accreditation and/or authorization of a particular school, send a message to OCTS@dwd.in.gov, and we can provide you with additional resources to check out the institution's claims regarding their accreditation or authorization status. Please note that schools continuing to operate without the appropriate authorization are doing so illegally and may be subject to prosecution pursuant to IC 22-4.1-21-36 and/or IC 22-4.1-21-38.
