

5 Things To Do...

if you are a victim of identity theft and unemployment insurance

Question - What do I do if someone has stolen my identity and filed for unemployment insurance using my personal information?

Answer - If you believe you are a victim of ID theft, please do the following:

1. File a report with DWD via this page: <https://www.in.gov/dwd/indiana-unemployment/fraud/>. DWD will lock the account from further use. Should you need to file for benefits in the future, you will need to contact DWD to have your account unlocked.
2. File an electronic report with the Indiana State Police by filling out the form available at <https://www.in.gov/dwd/indiana-unemployment/fraud/> and emailing it to uifraud@isp.in.gov. Please If you are currently employed, contact your employer's human resources department so that they can protest your claim with DWD
3. Other resources:
 - File a report with the Federal Trade Commission at www.ftc.gov
 - File an Identity Theft Affidavit (IRS form 14039) through <https://www.irs.gov/>
 - Notify the Credit bureaus (Equifax, Experian, and TransUnion)
4. The FBI also encourages victims to report fraudulent or any suspicious activities to the Internet Crime Complaint Center at <http://www.ic3.gov>. You may consult <http://identitytheft.gov> for help in reporting and recovering from identity theft.
5. File an identity theft complaint with the Indiana Attorney General's Office at <https://www.in.gov/attorneygeneral/2895.htm> or by calling (800) 382-5516.
