Notification Act

Dear Sir or Madam:

This is to give you formal notification that Lawrenceburg Distillers Indiana, LLC has agreed to sell its assets located at 7 Ridge Avenue, Lawrenceburg, Indiana, 47025. We intend to complete the sale of the business as early as December 20, 2011. We anticipate that any separations from employment resulting from the sale would occur between December 20, 2011 and January 2, 2012.

It is our hope that the buyers will employ many of our current employees. Therefore, it is impossible to say at this time how many employees may be affected by a sale. Currently, we employ 176 employees.

If you need any further information, please contact Becky Ponatoski, LDI's HR Manager, at 812-537-8596.

Very truly yours,
