Indiana Government Center South
10 North Senate
Indianapolis, IN 46204

Dear Ms. Long,

The following notice is provided you in accordance with the Worker Adjustment Retraining Notification (WARN) Act, 29 U.S.C.S., 2101 et seq.

Modine Manufacturing Company previously announced the closure of our facility and permanent loss of employment for employees at the facility located at 600 Water Street, Logansport, Indiana. Our best estimate is that the entire facility will be closed in 2010.

The Company anticipates that the separations will occur during a 14-day period beginning April 2, 2010 and conclude no later than April 16, 2010. The positions and job titles included in this separation are listed below.

<u>Job title to be affected</u>	<u>Number of employees in this job title to be affected</u>
Material Handler	1
Set-up & Operate	3
Maint./Electrician "B"	2
Tool and Die "B"	1
Electrician "A"	1
Maintenance "B"	1
Tool and Die "A"	1
Processor "A"	1
Processor "B"	27

In accordance with the current collective bargaining agreement, affected hourly employees have bumping rights. The hourly employees are represented by the Local 1954, United Auto Workers. The International Servicing Representative for the union is Midge Collette and her mailing address is:

600 South 750 West
Atlanta, Indiana 46031

For further information, please contact Janna Shrock, Human Resources Assistant at 574-722-7221, extension – 3028.

Sincerely,

William Tincher
Plant Manager
