The **How** of regulation:

The next slides outline the specific STEPS, including the requisite code and administrative rule citation governing non-credit bearing, non-degree granting postsecondary proprietary educational institutions in the State of Indiana.
INITIAL APPLICATION

Proprietors must disclose the following information when submitting application materials. NOTE: The Office for Career and Technical Schools retains the right to investigate and verify provided information.

- Has the owner or chief administrative officer of the institution ever been convicted of a felony? (IC 22-4.4-21-23(8))

- Has the owner or chief administrative officer of the institution ever been the owner or chief administrative officer of a postsecondary proprietary educational institution that has had its accreditation revoked or been involuntarily closed in a five (5) year period preceding the application for accreditation? (IC 22-4.1-21-23 (9))

IMPORTANT: Affirmative answers to either of the above questions PRECLUDES AN INDIVIDUAL FROM OWNING/OPERATING A POSTSECONDARY PROPRIETARY SCHOOL IN INDIANA. Applications submitted with affirmative answers to the questions above, or with falsified information, will be denied accreditation and fees not refunded.
INITIAL APPLICATION

A Power-of- Attorney for the attorney in fact must be attached.
INITIAL SITE VISIT

After the initial application materials have been reviewed and have been determined to contain complete information, and meet all legal requirements, OCTS staff will schedule an initial site visit for a school physically located in Indiana.

This is not to be confused with the full onsite evaluation/inspection. Rather, this visit serves to confirm the location exists and the facilities and equipment are adequate for serving the anticipated number of students indicated in the initial application.
ACCREDITATION TIMELINE

• Proprietors will have 30 days after OCTS sends the Determination of Status letter to review the Orientation and the OCTS Policy and Procedures document and submit the Orientation Verification.

(If the verification is not completed within 30 days, the proprietor will have to submit a new Determination of Status.)
ACCREDITATION TIMELINE

• Proprietors will have 30 days after notification from OCTS, to submit the Initial Application with fees. If an incomplete application is received, proprietors will have a total of 90 calendar days from the time OCTS receives any portion of the initial application and fees to submit missing materials. *(If the Initial Application, with fees, is not received within 30 days, the application process will be deactivated, and the proprietor will have to restart the application process with a new Determination of Status.)*

IMPORTANT: If a proprietor is unable to complete the application within the allotted time frame, the application will be closed, and the proprietor must restart the application process including resubmitting all application materials and a new application fee.
ACCREDITATION TIMELINE

• Following an initial site visit, the school will be considered for a status of “Temporary Accreditation”. Temporary Accreditation allows the school to begin operations while completing the formal application for Full Accreditation.

• The school will have not less than six (6) or more than eleven (11) months to complete the formal application and schedule a comprehensive onsite evaluation/inspection. Failure to submit the formal application within this time frame will result in termination of Temporary Accreditation.
ACCREDITATION TIMELINE

OCTS staff and the appropriate field expert(s) will review the Application for Full Accreditation and conduct the Site Visit. Schools are required to cover expenses associated with the visit including reimbursing mileage, room and board not to exceed one thousand dollars ($1,000).

• Upon conclusion of the onsite evaluation/inspection, OCTS staff will grant or deny Full Accreditation and notify the proprietor/school administrator of OCTS’s decision.

In cases where accreditation is denied, proprietors have thirty (30) calendar days from the notification to appeal the decision.
