Steve Braun, Executive Director
Indiana Department of Workforce Development
Dislocated Worker Unit
10 North Senate Avenue
Indianapolis, IN 46204-227

Dear Executive Director:

The purpose of this letter is to advise you, pursuant to the Workers Adjustment and Retraining Notification Act, that a plant closure of the Industrial Process Filtration Division of Parker Hannifin Corporation located at 2002 Main Street, Tell City, Indiana 47586 will be taking place. The entire plant will be closed on or about September 30, 2018. Employment separations are expected to begin on November 10, 2017 and will be completed on or about September 30, 2018. The plant currently has 78 employees. Positions scheduled to be laid off are attached on the next page.

There are 61 employees being affected that are members of the Chicago and Midwest Joint Board of Workers United, SEIU labor union. These members do have a seniority based bumping system in their contract that we will be using during this process.

We will notify the employees and will provide them with WARN notices.

Any questions you have concerning this plant closing should be addressed to Aidan Gormley, Parker-Hannifin Corporation, Corporate Communications Department, 6035 Parkland Boulevard, Cleveland, Ohio 44124-4141, Phone: 216-896-3258.

Sincerely,

Seth Soltow
General Manager
Industrial Process Filtration Division
