**RE: 60-Day Advance Written Notice of Mass Layoff Worker Adjustment and Retraining Notification Act**

Dear Representative,

Due to changes in our business and production objectives, Q-Edge Corporation and Foxconn/ Hon Hai Logistics California LLC (collectively as “the Company”) will be conducting a permanent reduction in force of approximately 155 employees at their 1581 S. Perry Road location in Plainfield Indiana. As such both companies are immediately providing you notice pursuant to the WARN Act. Layoffs are expected to begin shortly and extend over the next three months in at least two different phases. Should the Company experience a return of such business, these employees may be considered for rehire, but this cannot be determined at this time. Below is our company address and contact information if you have any additional questions or concerns:

The primary positions of the Company that will be affected include manufacturing and assembly employees as well as related office personnel. The Company will remain in operation with the remainder of its personnel following such layoff. The Company does not recognize strict seniority rights, but may take seniority into consideration as a factor in determining which employees to layoff and the timing of each employee’s layoff. No union represents any of the employees at this facility.

If you have any questions, please feel free to contact me.
