Dear Ms. Long:

This letter amends the previous notice dated February 9, 2009, under the Workers Adjustment and Retraining Notification Act of 1988, regarding the closing of the Dalton Corporation – Kendallville Manufacturing Facility.

Dalton Corporation had previously made notice that employment terminations due to the plant closing would occur during the 14 day period beginning March 20, 2009 through April 3, 2009.

In order to complete unanticipated shutdown requirements, the 14 day period in which employment terminations will occur has been extended to the period of April 17, 2009 through May 1, 2009. Employees who will be terminated during the 2 week period are listed on the attached sheet.

If you have any questions regarding this notice, please feel free to contact me at 260-347-1820.

Sincerely,

A handwritten signature in cursive script that reads "Dave Bash".
