Re: Notice Pursuant to Federal Worker Adjustment and Restraining Notification Act

Dear Sir/Madam:

On October 31, 2013, we provided you with notice regarding a layoff affecting the Viking Mine facility. Subsequently (on December 20, 2013, January 30, 2014, February 28, 2014, March 28, 2014 and April 29, 2014), we notified you that we needed to extend the separation date for some employees. The anticipated reduction in workforce needs for production, reclamation and recovery work were not as extensive as initially anticipated. Approximately one (1) employee of Peabody Midwest Management Services, LLC remains working at the underground mine and was not laid off during this period. Due to continuing business needs during the closure process, the mine now anticipates that the remaining employee will be placed at another Peabody mine in the Midwest or laid off on or about June 30, 2014.

Please do not hesitate to contact the designated reference in our prior correspondence should you have any questions.

Sincerely,

Gregg Heaton
