VIA OVERNIGHT MAIL

Indiana Department of Workforce Development
Dislocated Worker Unit
10 North Senate Avenue
Indianapolis, IN 46204-2277

Dear Sir or Madam:

We are writing to provide an update to the letter dated March 8, 2013 provided by Pitney Bowes Inc. ("Pitney Bowes" or "Company") regarding its operations at the EPMSC facility located at 2812 Airwest Blvd., Plainfield, IN 46168. The personnel actions addressed in that letter are now complete and we can provide updated information.

Pitney Bowes continues to maintain operations at the Plainfield location, however at a lower capacity. At the time of the March 8th correspondence, the Company anticipated that it might have had to cease operations at the facility, but this was not the case. Accordingly, the Company can now provide updated information regarding the operations and the number of employees impacted.

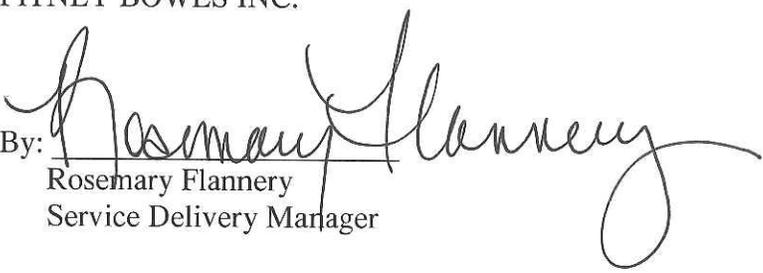

A list of job titles and the number of employees in each job title whose employment was impacted accompanies this letter as Attachment A.

By copy of this letter, we also are notifying Plainfield, Town Manager, Rich Carlucci. If you have any questions or desire additional information, please contact me at 317.204.0049.

Very truly yours,

PITNEY BOWES INC.

By:

Rosemary Flannery
Service Delivery Manager
