Re: Plant Closing

To Whom It May Concern:

Pursuant to applicable federal and state law, notice is given of ShopKo Stores Operating Co., LLC's intent to completely and permanently close all ShopKo's operations located at:

Shopko Distribution Center
185 North Mount Zion Road
Lebanon, IN 46052

The closing will affect approximately 72 employees, (plus 23 employees with less than 6 months of service). The first separations of employment will commence sixty (60) days from receipt of this letter, which will be January 12, 2015; however, some employees will be needed to close down the facilities and therefore separations will likely continue through September 30, 2015. ShopKo will be working to establish a more detailed transition plan and will inform the affected employees of the details of such plan as soon as possible.

The job titles of the affected positions of employment and the names of those employees currently holding those positions that will be affected by this notice are attached. There are no bumping rights in existence. There are no bargaining representatives representing affected employees at these facilities.

For further information as to these closings, you may contact the following Company official:
