Dear Ms. Long:

This letter is to inform you that Weil McLain will be conducting a partial plant closing by eliminating one of the manufacturing lines from the Company's Michigan City facility which will result in layoffs occurring on January 9, 2011.

All affected employees work out of the Company's Michigan City facility located at 500 Blaine Street, Michigan City, Indiana. Eighty-seven (87) employees in total will be affected.

If you require further information, you may contact me at the Michigan City facility.

Sincerely,

A handwritten signature in black ink that reads 'Keith McLeod'.
