WorkOne Centers To Open to Walk-In Customers

All 11 WorkOne Northeast career centers are scheduled to open to walk-in customers beginning the week of July 6, Northeast Indiana Works announced today.

Since June 8, the centers have been open to the public only by appointment. That option will still be available.

Hours and days of operation at the centers can be found on Northeast Indiana Works' website at [https://www.neinworks.org/workone/locations-\(1\)](https://www.neinworks.org/workone/locations-(1))

People must continue to file for unemployment benefits online at www.unemployment.in.gov.

Staff at the centers are practicing extensive safety precautions and encouraging customers to also follow certain safety procedures. Staff members wear masks and face shields, adhere to social distancing, regularly wash and sanitize their hands, cover their mouths when coughing or sneezing, and avoid touching their eyes, nose and mouth.

Customers are asked to wear masks, if they have them, and encouraged to adhere to a social distancing protocol and practice hygiene measures once inside a center.

Staff and customers are encouraged to self-screen. Any staff member or customer who has COVID-19 symptoms or an elevated temperature of 100.4 or greater will be asked not to enter a center.

Because of the safety precautions, walk-in customer capacity will be limited.

About Northeast Indiana Works: Northeast Indiana Works, the region's workforce development board, provides public and private financial and employment resources to businesses and individuals for education and skills training to meet the needs of regional industries. The nonprofit sets policy for how public and private funds are utilized to support talent development. It also operates and staffs the 11 county-based WorkOne Northeast career centers in the region. More information about Northeast Indiana Works is at www.neinworks.org
