Subject: DWD Memorandum 2024-13
2025 Economically Disadvantaged Criteria (EDC)

PURPOSE

This memo issues the Workforce Innovation and Opportunity Act (WIOA) 2025 Economically Disadvantaged Criteria (EDC). The criteria were developed using the Department of Health and Human Services (HHS) 2025 Poverty Guidelines and the Department of Labor (DOL) 2025 Lower Living Standard Income Level (LLSIL). These criteria are used to identify disadvantaged adults and youths, as WIOA defines these individuals as those who received an income or are members of a family that received a total family income that, in relation to family size, does not receive the higher of the poverty line or 70 percent of the LLSIL.¹
