Re: WARN NOTICE – PLANT CLOSING

Dear Public Officials:

This letter serves as official notification, as required by the federal Worker Adjustment and Retraining Act (WARN), of a permanent plant closure at Owens Corning's (the "Company") facility located at 105 Industrial Park Drive, Walkerton, IN 46574 (the "Facility").

The planned action is expected to result in the separation of approximately 130 employees at the Facility. Separations will occur on or about September 19, 2026, through October 2, 2026. After October 2, 2026, some employees will remain with the Company to assist with winding down the Facility. Those employees who remain to assist with winding down the Facility will be laid off during a period in October 2026, with the final employees being separated by October 29, 2026.

As of October 29, 2026, all employees at the Facility will be laid off. The closing is expected to be permanent. Given the Facility is closing, bumping rights do not exist.

A list of the job titles of the positions to be affected and the number of affected employees in each job classification is available upon request. There is no Union associated with this Facility.

This Notice is based upon the best information that the Company has available to it at this time.

The above actions constitute a covered event for the purposes of the Federal Worker Adjustment and Retraining Notification ("WARN") Act, and this letter is intended to fulfill the Company's obligations under that Act.

If you have any questions about this letter or the expected date of the layoffs, please contact Jerred Bennett, Director, Doors Human Resources, Phone (620) 249-1265, Email: Jerred.Bennett@owenscorning.com.

Further inquiries related to this plant closure may be directed to MediaRelations@owenscorning.com.

Sincerely,

A handwritten signature in blue ink that reads "Jerred Bennett".

Jerred Bennett
Director, Doors Human Resources
