Re: Layoffs at American Woodmark Corporation's Gas City facility

Dear Commissioner Payne,

I am writing to inform you that American Woodmark Corporation ("AWC") will conduct layoffs at its facility located at 5300 Eastside Parkway, Gas City, Indiana. These layoffs have become necessary because of unforeseeable business circumstances caused by the COVID-19 crises. AWC expects that these layoffs will be permanent.

These layoffs will occur on May 1, 2020. I could not provide you with notice of these layoffs before today because the business interruption caused by the COVID-19 crises was not foreseeable.

The layoffs will impact 5 employees. None of these employees are represented by a union, nor do any of them have bumping rights.

A list of the job titles included in these layoffs, and the number of affected employees in each job classification, is enclosed.

We will provide as much support to your office as possible in assisting and counseling our displaced employees. Please feel free to contact me at (765) 677-1690 or at the address above if you need further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Caleb Kerr", written over a horizontal line.

Caleb Kerr
Director of Operations
