Re: WARN ACT NOTICE: St. Vincent Dunn Hospital, Inc. d/b/a Ascension St. Vincent Dunn

To Whom it May Concern:

After extended discernment, St. Vincent Dunn Hospital, Inc. d/b/a Ascension St. Vincent Dunn (the "Hospital") has made the difficult decision to close and permanently cease all operations effective December 16, 2022. This closure will include the permanent elimination of all positions related to those operations. The position eliminations will result in a permanent plant closing as that term is defined in the Worker Adjustment and Retraining Notification Act of 1998 ("WARN Act"). This letter shall serve as notice, pursuant to the WARN Act, of the above-referenced plant closing. The address of the employment site where the plant closing will occur is 1600 23rd Street, Bedford, IN 47421. The Hospital presently expects that employment terminations will become effective December 17, 2022 and is estimated to impact a total of 77.

A list of affected employees is maintained by the Hospital and is accessible to you upon your request. Affected employees do not have bumping rights. The Hospital intends to offer severance and outplacement services to those employees who are affected by the plant closing and do not secure another position within the organization.

This letter is based on the best information currently available. However, we will inform you of any significant changes in these plans as additional information becomes available. If you have any questions, please contact Dana M Muntz, Vice President of Rural Healthcare for Ascension Indiana at 502-994-7365 or [dmmuntz@ascension.org](mailto:dmmuntz@ascension.org).

Regards,

Dana Muntz  
Vice President of Rural Healthcare  
Ascension St. Vincent
