

VIA EMAIL

July 24, 2020

On January 28th, 2020, Horton, Inc. notified all employees, including those affected, that Horton, Inc. decided to close its facility, located at 201 West Carmel Drive, Carmel, IN 46032. This closure will be permanent and will constitute a plant closing. The closing will be completed by 12-31-2020 and will affect all employees at the Carmel facility. The separations are to occur in multiple stages. There are no bumping rights.

The second group of employees will be affected on October 9th, 2020. The list of job titles and the number of employees affected in each job are below.

Engineering Technician – 1 employee
Maintenance Technician – 1 employee
Material Handler – 3 employees
Mold Technician – 1 employee
Machine Operator – 15 employees
Production Supervisor – 1 employee
Scheduler/Planner – 1 employee

I will continue to notify your office as additional phases occur. We anticipate that additional layoff phases will occur on or about, October 30th, and January 31, 2020

For further information regarding this closing, feel free to contact me at the telephone number or email address below:

Very truly yours,
