RE: WARN Notice

Dear Dislocated Worker Unit,

Please be advised that effective September 4, 2020 Toll Bros., Inc. ("Toll") will close its operations located at 1805 West Pacific Road, Knox, IN 46534. There are approximately 35 workers who are being permanently separated from Toll Brothers.

Employees are not represented by a union, and do not have any "bumping" rights under the circumstances of this closure. A list of affected job titles and the number of affected employees in each category is attached as Exhibit 1.

This will close all of the Toll operations at the Knox, IN plant. Even though Toll is closing its operations at this location, operations may be continued by the new tenants, including hiring a number of employees. If the tenant does not wish to continue the operation with the current employees, those employees will be laid off.

If you require further information, please contact me at 215-736-9755.

Very truly yours,

Katelyn Silverman  
HR Manager  
Toll Brothers, Inc.
