### ***Overview***

WorkINdiana is a bridge program; the first step on a career pathway for entry level skilled youth and adults. Through WorkINdiana, the Department of Workforce Development (DWD) seeks to increase the rates at which Adult Education students and Jobs for America's Graduates (JAG) graduates transition into post-secondary occupational skills training, attain credentials, and career advancement.

The WorkINdiana program shall be administered under the following guiding principles:

1. Adult Education or JAG students may be concurrently or consecutively enrolled in Workforce Innovation Opportunity Act (WIOA) Title II Adult Education (hereafter Adult Education) and WorkINdiana training to accelerate their learning and help students advance through progressive levels of education as quickly as possible.
2. WorkINdiana training programs are intentionally short term to allow students to complete training quickly and gain the confidence to pursue more advanced training.
3. WorkINdiana training programs do not require a high school diploma or equivalency. [Note: Pre-Apprenticeship Construction Training programs approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training (BAT) is the only exception.]
4. Partnerships among the grantees, WorkOne staff, JAG staff, Adult Education staff, eligible training providers, and employers are encouraged to ensure students are provided a full range of services, supports, and employment opportunities.
5. The WorkINdiana enrollment process must be student-centric, which requires flexibility in order to meet students' individual needs, goals, and career aspirations.

### ***Implementation and Administration***
