

# Child Care Expansion Grants

**The Office of Early Childhood and Out-of-School Learning awarded 24 grants to centers, ministries, homes and public schools. The grants will add 1,809 child care seats in 20 Indiana counties. Nine providers received up to \$200,000 to expand existing programs by updating facilities and operations; 15 received up to \$750,000 to create new programs in underserved areas of the state. Grant funds were made possible through Senate Enrolled Act 2 from the 2022 Indiana General Assembly special session, as well as funding from the federal American Rescue Plan Act.**
