

Indicator 1: Percent of infants and toddlers with IFSPs who receive the early intervention services on their IFSPs in a timely manner. (20U.S.C. 1416(a)(3)(A) and 1442). Indiana defines timely as within 30 days of the parent signature on the IFSP or change page.

Family reasons for delay of timely services are included in the total number of IFSPs reviewed and does not count against the System Point of Entry (SPOE). Family late starts are included in the number of services over 30 days if applicable.

FFY24: Timely Services by Cluster

Target: 100%

Indicator 8: Percent of all children exiting Part C who received timely transition planning to support the child's transition to preschool and other appropriate community services by their third birthday including:

- A. Developed an IFSP with transition steps and services at least 90 days, and at the discretion of all parties, not more than nine months, prior to the toddler's third birthday.
- B. Notified (consistent with any opt-out policy adopted by the State) the State educational agency (SEA) and the local educational agency (LEA) where the toddler resides at least 90 days prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.
- C. Conducted the transition conference held with the approval of the family at least 90 days, and at the discretion of all parties, not more than nine months, prior to the toddler's third birthday for toddlers potentially eligible for Part B preschool services.
