Re: COVID-19 Provider Grant Applications are Now Open
Date: April 1, 2021

As shared earlier, BDDS is pleased to continue to offer grant opportunities to its provider network to address COVID-19 impacts. BDDS will be offering two grant programs one targeted to OBRA day service providers and one targeted to certain HCBS waiver services and ICF providers.

Interested providers are now able to apply for these grant opportunities. To access the applications, instructional guides (which includes an FAQ section), and a recording of our recent webinar, please visit the [DDRS COVID-19 Resource page](#).

The grant application will be open through April 16, 2021.

As a reminder, details for the two grant opportunities are listed below:

- **HCBS/ICF Provider Relief Grants:** are intended to support HCBS waiver and Group Home providers in addressing increased COVID-19 related expenses related to the delivery services incurred in the first quarter of 2021. - **OBRA Day Service Sustainability Grants** are intended to support to support OBRA providers who provide habilitation and pre-vocational habilitation under the OBRA program and had to close or suspend services because of COVID-19. The grant will be for the first quarter of 2021 and will be based on 75% of the average OBRA claims processed for the period from March 1, 2019 through December 31, 2019 less any claims for services that the provider was able to render during the grant period.
