**Re:** Appendix K waiver amendments extension  
**Date:** December 28, 2020

The Bureau of Developmental Disabilities Services is committed to working collaboratively with individuals, families, case managers and providers during this extraordinary time. We appreciate the hands-on and coordinated efforts and responses our families, case managers and providers have demonstrated. As part of this commitment, BDDS has the following announcement of interest:

The Centers for Medicare & Medicaid Services has approved an extension of our current Appendix K waiver amendments through February 28, 2021. BDDS continues to work with our state and federal partners to help mitigate the disruptions the public health emergency has caused on standard modes and methods for service delivery to individuals receiving BDDS services.
