**Re:** Virtual listening session - BDDS Waiver Redesign Initial Concept Paper

**Date:** February 24, 2020

Last month, the Bureau of Developmental Disabilities Services released its Waiver Redesign Initial Concept Paper. Since that time, BDDS has provided a wide variety of opportunities to learn more and share feedback.

As part of this effort, BDDS will host a virtual listening session on the Waiver Redesign Initial Concept Paper. The session will include a brief overview of the concept paper with ample time for attendees to share ideas, suggestions and ask questions.

To participate in the Virtual Listening Session on **Thursday, February 27, 2020, at 6 p.m. EST**, please log onto URL: <https://Indiana.AdobeConnect.com/indiana>.

- Participants will sign in as a guest using their name.
- Audio will be voice over internet, so participants will need to use speakers or headphones to hear the presentation.
- Do not log into the webinar using Citrix or Virtual Private Network. These services will not be able to playback audio.
