Waiting list implemented for Traumatic Brain Injury Medicaid Waiver

The Family and Social Services Administration's Division of Disability, Aging and Rehabilitative Services is announcing today that it must implement a waiting list for the Traumatic Brain Injury Medicaid Waiver because the waiver has reached maximum capacity. As approved by the federal government, 200 total slots are available during the timeframe January 1, 2025, through December 31, 2025.

Please note, members currently enrolled in and receiving waiver services will not have their services changed or interrupted by the implementation of the waiting list.

For questions regarding the waiting list process and placement, please contact BDS.Help@fssa.in.gov.
