Error Rate data is reported by the state before the federal agency has accepted and finalized the results. This rate is subject to revision. Monthly numbers are taken from the end of the month totals. Error status of cases may be changed by either State or Federal Review process, which would cause a change that might not be reflected in the previous monthly numbers.

All data presented in this report was collected at the end of the reporting month.

TANF

The Temporary Assistance for Needy Families (TANF) Program provides cash payments to eligible families with children.

TANF Regular
Number of Families
Total number of households or family units participating in TANF- Regular and TANF-I (Incapacitated Parent). It does not include TANF - UP (Unemployed Parent).

Recipient
A person receiving TANF benefits. There may be more than one recipient in a TANF case.

"Adult" recipient is a person 21 years or older or a person 18 or over with at least one child.

"Child" recipient is an unmarried person under 18 deprived of parental support and living with a specified relative.

Payments
Total cash assistance dollars paid to TANF recipients during the month.

Average payment per Case
Total TANF payments divided by the number of TANF cases receiving a grant. A "case" is a household or family unit participating in TANF- Regular and TANF-I (Incapacitated Parent). It does not include TANF - UP (Unemployed Parent).

Average payment per Recipient
Total TANF payments divided by the number of TANF recipients receiving a grant.

Cases with benefits reduced to zero
TANF families whose cash assistance has been reduced to zero due to income or penalty.

TANF UP (Unemployed Parent Program)

Number of Families
Total number of households or family units participating in TANF UP.

Recipient
A person receiving TANF benefits. There may be more than one recipient in a TANF case.

"Adult" recipient is a person 21 years or older or a person 18 or over with at least one child.

"Child" recipient is an unmarried person under 18 deprived of parental support and living with a specified relative.

Payments
Total cash assistance dollars paid to TANF recipients during the month.

Average payment per Case
Total TANF payments divided by the number of TANF cases receiving a grant. A "case" is a household or family unit participating in TANF UP.

Average payment per Recipient
Total TANF payments divided by the number of TANF recipients receiving a grant.

Cases with benefits reduced to zero
TANF families whose cash assistance has been reduced to zero due to income or penalty.
Indiana's Food Stamp Program helps eligible low income families supplement their food purchasing dollars with food stamp coupons.

Total Stamps Issued
Dollar value of total food stamps issued during the month.

Total Households
The number of households participating in the FS program.

Total Persons
The number of persons participating in the FS program.

Average Stamps per Household
The total value of food stamps divided by the number of households.

Average Stamps per Person
The total value of food stamps divided by the total number of recipients.

Positive Error Rate
Dollars paid in error divided by total dollars.

Negative Error Rate
Number of erroneously closed or denied cases divided by total number of cases in sample.

Unregressed
Error rate reported by the state before the federal agency has accepted and finalized the results. This rate is subject to revision.

IMPACT assists TANF/Food Stamp families to become self-sufficient by helping to provide education, training, and job opportunities and overcoming personal barriers to employment.

Total IMPACT Cases
The total number of active cases with IMPACT activities during the month.

IMPACT-TANF
The number of active TANF cases with IMPACT activities during the month.

IMPACT-Food Stamp
The number of active Food Stamp cases with IMPACT activities during the month.

Total Adults Employed
The total number of IMPACT adults employed during the month.

TANF Adults Employed
The total number of TANF-IMPACT participants that were reported employed during the month.

Food Stamp Adults Employed
The total number of FS-IMPACT participants that were reported employed during the month.

Total Adults ineligible due to employment
The total number of IMPACT adults cases closed during the month because of income from employment.
Child Care

Indiana’s child care program provides child caring services reimbursement to eligible families participating in IMPACT, transitioning out of the TANF program, or are low income families at risk of becoming eligible for TANF.

Total Subsidized Child Care Payments
The total value of Child Care Development Fund (CCDF) Child Care Voucher Payments and CCDF Child Care Contract Payments.

Licensed Capacity of Child Care Homes
The number and licensed capacity of licensed day care homes.

Licensed Capacity of Child Care Centers
The number and licensed capacity of licensed day care centers.

Registered Ministries
The number of registered ministries with child caring facilities. The capacity of registered ministries is not regulated.

All data presented in this report was collected at the end of the reporting month.
