## Online purchasing now available for TANF Cash Assistance in Indiana

The Indiana Family and Social Services Administration has some exciting news to share.

**You may now use your Hoosier Works EBT card to make TANF cash assistance purchases online.** Indiana received approval last year to allow online purchases for SNAP. Now, TANF cash assistance benefits can be used in the same way to make food or other purchases. TANF benefits can also be used to pay delivery fees.

To find the current Indiana retailers accepting SNAP and TANF online purchases, please visit the USDA/Food and Nutrition Service website at [www.fns.usda.gov/snap/online-purchasing-pilot](http://www.fns.usda.gov/snap/online-purchasing-pilot).

*Please note: Amazon does not accept TANF as a payment method.*
