Individuals Served in the Public Mental Health and Addiction Treatment System by This Provider

County	Adults Receiving Mental Health Services	Children Receiving Mental Health Services	Individuals Receiving Addiction Treatment Services	Unduplicated Count of Individuals Served
Delaware	1,145	1,170	379	2,637
Henry	409	169	234	798
Jay	312	248	70	622

Why are the Division's numbers different from those provided by the community mental health center?

Community Mental Health Centers only submitted data to the Division for those individuals that meet the Division's income eligibility and diagnostic criteria.

Compliments or concerns about this provider? Call the Consumer Service Line at 800-901-1133.

Outcome Data

The Mental Health Statistics Improvement Program (MHSIP) survey is a nationally used survey and measures satisfaction of adults receiving services. This survey was handed out to all individuals receiving services during at least a one week period between September 3 and September 21 in 2018; 273 surveys were completed. Surveys were completed anonymously. Below are the questions asked regarding outcomes of services.

The Youth Services Survey for Families (YSS-F) is a nationally used survey and measures satisfaction of parents of youth receiving services. This survey was handed out to all individuals receiving services during at least a one week period between September 3 and September 21 in 2018; 130 surveys were completed. Surveys were completed anonymously. Below are the questions asked regarding outcomes of services.
