RE: Budget Modification Request/Budget Review Questionnaire Training  
Date: October 26, 2018

The Bureau of Developmental Disabilities Services has developed a Budget Modification Request/Budget Review Questionnaire Training for case managers to assist in the timely and accurate submission of BMRs and BRQs. The training is available by clicking [here](#), and it is also located on the BDDS' website under [webinars](#). The BDDS encourages all case managers to thoroughly review this training. This information may also assist providers in identifying appropriate documentation and information case managers will need in order to appropriately request these budget changes.

This training is in conjunction with the [October 31, 2017, BMR training](#) and contains some information regarding the BDDS' review process for both BMRs and BRQs.
