Re: Data Forum: Mortality Review webinar reminder
Date: May 14, 2018

The Bureau of Quality Improvement Services (BQIS) would like to remind providers of the webinar on May 21, 2018, at 1 p.m. EST, to share trend data on mortalities for individuals with intellectual or developmental disabilities in services with the Bureau of Developmental Disabilities Services (BDDS). BQIS will share aggregate data for individuals in BDDS' services as well as comparative data with general populations both in Indiana and nationally. The presentation will include a white paper on the Mortality Review Committee's recommendations made to providers as well as information on resources to address identified issues. Time will be allotted for open forum discussion. Below is information regarding accessing the webinar, which will also be recorded and posted to the BQIS web page.
