Dear CCDF Child Care Provider:

Effective September 18, 2016, the Office of Early Childhood and Out-of-School Learning (OECOSL) will be implementing new CCDF reimbursement rates. This CCDF reimbursement rate is the maximum amount the State will pay for the care of a child receiving CCDF voucher assistance. Any portion of your charges which exceed these CCDF reimbursement rates are referred to as an "overage".

As you may know, the CCDF reimbursement rates are based on several factors including the county where the CCDF applicant resides, the provider type, the age of the child receiving CCDF voucher assistance and the child care program's Paths to QUALITY™ rating level.

These new CCDF reimbursement rates will be posted at <http://www.in.gov/fssa/carefinder/3900.htm> on or before September 18, 2016. **The new CCDF reimbursement rate will be applied to CCDF vouchers created on or after September 18, 2016 based on the information you provide on the CCDF Provider Information Page when families reauthorize or complete a provider change.**

Thank you for caring for Indiana's children and the difference you are making in the lives of families and your community.

Sincerely,

A handwritten signature in black ink that reads 'Nicole Norvell'.

Nicole Norvell, Director
Office of Early Childhood and Out-of-School Learning
