Re: Data Forum: Mortality Review webinar  
Date: May 23, 2018

The Data Forum: Mortality Review on May 21, 2018, hosted by the Bureau of Quality Improvement Services (BQIS), experienced technical difficulties which prevented users from participating. Therefore, BQIS is pleased to announce a repeat webinar will be held on June 12, 2018, at 1 p.m. EST to share trend data on mortalities for individuals with intellectual or developmental disabilities in services with the Bureau of Developmental Disabilities Services (BDDS).

BQIS will share aggregate data for individuals in BDDS' services as well as comparative data with general populations both in Indiana and nationally. The presentation will include a white paper on the Mortality Review Committee's recommendations made to providers as well as information on resources to address identified issues. Time will be allotted for open forum discussion. The webinar will be recorded and posted to the BQIS website for future reference. Below is information regarding accessing the webinar.
