

HoosierRx Helps Pay for Your Medicare Prescription Drug Premium

HoosierRx is Indiana's State Pharmacy Assistance Program. It can help you pay your monthly Medicare Part D premium, or the prescription drug portion of the premium for a Medicare Advantage Plan with prescription drug coverage. HoosierRx can pay up to \$70 per month to help with your premiums if you are eligible and have Medicare Part D or a Medicare Advantage Plan that works with HoosierRx.

To qualify for HoosierRx:

1. You must be 65 years of age or older and a resident of Indiana.
2. For 2019, your annual income cannot be more than \$18,975 for a single/widowed person or \$25,605 for a married couple living together.
3. You should have applied for "Medicare Extra Help" through Social Security and received a decision regarding "Extra Help" (the "Extra Help" program assists in paying Medicare prescription plan costs).
4. Hoosier Rx only works with the following Medicare Prescription Drug Plans or Medicare Advantage Plans: AARP/United HealthCare, CIGNA, EnvisionRx, First Health, SilverScript, WellCare and Indiana University Health Plans.

If you are on full Medicaid, you are not eligible for HoosierRx.
