1 Overview

1.1 Purpose

The Disclosure for Housing with Services Establishments (State Form 49028 required by IC 12-10-15) and the Alzheimer’s and Dementia Special Care Unit (State Form 48896 required by IC 12-10-5.5) must be submitted by facilities providing these services to comply with State of Indiana requirements. This job aid assists in the submission of these forms.

Per Indiana Code 12-10-15-3, “Housing with Services Establishment” is defined as an establishment providing sleeping accommodation to at least five (5) residents and offering or providing for a fee (whether directly or indirectly):

1. at least one (1) regularly scheduled health related service; or
2. at least two (2) regularly scheduled supportive services

**Required submitters generally include assisted living facilities.** For exceptions and additional information visit: [http://iga.in.gov/legislative/laws/2019/ic/titles/012#12-10](http://iga.in.gov/legislative/laws/2019/ic/titles/012#12-10)

**Alzheimer’s and Dementia Special Care Unit disclosure (State Form 48896)**

Indiana Code 12-10-5.5-3 requires any health facility that provides or offers Alzheimer’s or dementia special care to submit the Alzheimer’s and Dementia Special Care Unit disclosure (State Form 48896) annually to the Division of Aging. Required submitters are generally either assisted living facilities or skilled nursing facilities. For more information visit: [http://iga.in.gov/legislative/laws/2019/ic/titles/012#12-10-5.5](http://iga.in.gov/legislative/laws/2019/ic/titles/012#12-10-5.5)

7.1 FAQs

1. I am new to my facility. How can I access our existing form? A current Verifier for your facility can invite you to access the form via “Manage Facility” or contact 317-232-7020 or email DAComments@fssa.in.gov to request an invitation.

2. If my Disclosure for Housing with Services Establishments expires, is the facility still accessible in the INconnect Alliance public search website? No, once a form expires, the data is disabled and no longer viewable by the public. Additionally, the form is no longer able to be renewed and the process must start over with “Add New Housing with Services Facility.”

3. Why do I have to create an entirely new facility by selecting “Add New Housing with Services Facility” if a form expires? This is due to the design of the system. Once a form expires, that facility is no longer in compliance with Indiana Code 12-10-15 and therefore no longer active in the system. Only current, compliant facilities can renew.

4. Why do I have multiple facilities with the same name? How do I know which is the correct facility to invite a new user to? Multiple facilities with the same name will occur if a facility did not renew their form(s) in a timely manner and it expired. If you have more than one listing for your facility with the same name, select the facility with the status “Compliant” as this will provide access to the most current form.

5. Why did my Alzheimer’s and Dementia Special Care Unit form expire before December 31? If the HWS disclosure form expired, the memory care form will too because there is no longer an active facility in the system to link it to.

6. Who can I contact with questions? Contact the Division of Aging at 317-232-7020 or email DAComments@fssa.in.gov.

7.2 Troubleshooting

1. Why can’t I submit an Alzheimer’s and Dementia Special Care Unit form? A Special Care Unit (SCU) can be affiliated with a skilled nursing facility or an assisted living facility. An assisted living facility must have an approved Disclosure for Housing with Services form on file prior to submitting the SCU form. If the SCU is affiliated with a nursing facility, contact the State Administrator (317-232-7020 or email DAComments@fssa.in.gov) to request an invite be sent for the nursing facility to begin the form submission process.

2. Difficulty logging in? Try these steps to address the issue:
   a. Make sure you are attempting to log in via the correct link at Housing with Services or the “INConnect Alliance Facility Invitation” email from No Reply (no-reply@in.gov).
   b. Try resetting your password by clicking Log In at Housing with Services.
c. If this does not work, contact 317-232-7020 or email DAComments@fssa.in.gov.

3. The email address on the Alzheimer’s and Dementia Special Care Unit form is incorrect and I can’t change it, what do I do? These forms that are related to an assisted living’s Disclosure for Housing with Services form, the email address pulls from that form. The email address on the Disclosure for Housing with Services form must be updated (by amending the form and resubmitting). Once approved by the State Administrator, resubmit the memory care form and it will be automatically updated.
