The Indiana Early Childhood and Out of School Learning Career Pathways recognizes the hours of formal education, formal training, and credentials of early childhood educators, school age and youth workers. The purpose of the Career Pathway is to help practitioners plan their training, education and career development goals so they may be well-prepared to educate, nurture and meet the needs of infants, children, youth, and their families.

### Foundational Awareness & Best Practices

- New Professional Orientation
- First Aid/CPR Training
- Child Abuse and Neglect Detection and Prevention Training
