MEMORANDUM

To: Medicaid Advisory Committee Member

From: Matthew Brooks, Chair, Indiana Council of Community Mental Health Centers
Allison Taylor, Chair. Office of Medicaid Policy and Planning

Date: November 19, 2019

Subject: Welcome to the Medicaid Advisory Committee!

It is with sincere pleasure that we welcome you to the Indiana Medicaid Advisory Committee (MAC). Whether you are new to the committee, or if you have served for some time, we wanted to take a moment to thank you for your service, as well as provide some basic information on the MAC. The MAC was established under IC 12-15-33-3, in compliance with 42 CFR § 431.12, and is intended to serve in an advisory capacity to Indiana’s Medicaid agency on various aspects of the program. Since its formation, the committee has consisted of elected officials, provider representatives, consumer representatives, taxpayer representatives, and citizens.

In recent years, Indiana’s Office of Medicaid Policy and Planning (OMPP) has made a concerted effort to enhance the level of programming and information provided to MAC members. Our hope for the MAC is that members gain valuable insights into the Medicaid program while providing the office with feedback on both proposed and established programs and policies within OMPP.

The MAC has regular meetings once a quarter. The agenda is typically sent one week prior to the meeting and includes notification on OMPP rule-making efforts, policy and programmatic updates, and particular emphasis on the subjects noted in IC 12-15-33-9.5.

Once again, thank you for your participation on the MAC and we look forward to working with you!

Thank you for your service to the State of Indiana as a board or commission member.

The expertise that you contribute as a board or commission member is invaluable to the function of state government. Board and commission members are special state appointees. As a special state appointee, you are subject to the State’s ethics statutes set forth in Ind. Code 4-2-6 and the State’s Code of Ethics outlined in 42 IAC 1. While you have already completed your mandatory ethics training, this guide is intended to highlight the top three high risk areas that our office has identified for board and commission members specifically because of your possible affiliations with organizations outside of state government. More information is available at www.in.gov/ig.

**Political Activity (42 IAC 1-5-4)**

You cannot engage in political activity, including fundraising, while on duty or in your official capacity as a special state appointee.

You also cannot solicit political contributions at any time from persons who have a business relationship with your agency/board/commission or from state employees that you supervise.

**Conflict of Interests – Contracts (Ind. Code 4-2-6-10.5)**

You cannot have a financial interest in a contract with any state agency. If you do have a financial interest, you must ensure compliance with certain requirements before the contract is executed.

You could be fined if you don’t comply. Having a financial interest in a contract with the agency you serve could be criminal.

**Conflict of Interests – Decisions and Voting (Ind. Code 4-2-6-9)**

You cannot participate in decisions or votes or anything related to those decisions or votes if any of the following have a financial interest:

- You, your spouse or your immediate family member
- A business in which you serve as an officer, a director, a member, a trustee, a partner or employee
- A potential employer

You must recuse yourself and disclose any potential conflict.
