Request for Information re-opened

June 1, 2018

The Indiana Department of Administration (IDOA), on behalf of the Family and Social Services Administration, has re-opened the Request for Information (RFI) regarding Medicaid Home and Community Based Services Rate Setting Methodologies - Providers and Stakeholders for a limited period of time. Responses to the RFI are due to IDOA by June 8, 2018, at 3 p.m. EDT according to the instructions set forth in the RFI.

Once the RFI closes, it will not be re-opened and responses will not be accepted after the deadline. The RFI has a new RFI number (18-101), but it contains the same questions for respondents. Interested respondents should review all criteria [by clicking here](#).
