Re: Waiver public notice and comment webinar
Date: March 14, 2018

To encourage stakeholder engagement in public notice and comment, the Bureau of Developmental Disabilities Services has released a brief, informational webinar on public comment as part of the waiver amendment process.

The purpose of the webinar is to walk stakeholders through how they can submit public comment and how to find changes within a Home and Community-Based Services Medicaid Waiver amendment. Both the Community Integration and Habilitation waiver and Family Supports waiver are scheduled to be posted for public comment on March 21, 2018.
